November 2026

Prayer focus

- Ask God to use the Truth Seeker to reach scores of children who have never entered a church but are hungry for the Good News.
- Pray God will help us grow & expand our club ministry through training and church partnership.

INTERCEDING FOR THE NEEDS OF THIS MINISTRY.
POINTING CHILDREN TO AN ETERNAL FUTURE.

Responding in Praise

"Great is the Lord, and most worthy of praise; his greatness no one can fathom."
Psalm 145:3

What a start to the new ministry year! The month of October was full of so many different events and happenings that if you weren't there for them, then you might have missed them, but, it was a super successful month. With the start of Good News Club®, the Ministry Showcase and Fundraiser, and the addition of new committee members, we have so much to praise God for. Let us, together, praise Him for His grace in allowing us to be so successful.

As we continue our ministry year into November let us look forward to what God has in store so that we may do our due-diligence and pray and expect Him to continue to work through the ministry of CEF. Let us pray that as we move through November that we will find success in our Good News Club ministries (Pinecreek, Hickory Grove, Punxsy), and that He will provide us with not only the locations we need to reach children through Christmas Party Clubs, but also the teachers and helpers that we need to make them possible. Prayer, as I always say, is critical to our ministries, and we must pray for God's providence in all of these situations. We can know that God will give us all that we need to be successful, and we must do our part and rely completely on Him. We can know that through Christ all things are possible. He is truly praiseworthy for all that He does now, and in the future. Let us join together praising our Heavenly Father who will continue to bless this ministry with success.

Kids from a summer Soccer Party Club

But what does success look like? Is it only the number of children that we reach? Is it the amount of clubs that we have? We see success in all of these things, the number of children who hear the Gospel, the ones who respond in faith, the amount of clubs that we get the opportunity to have, and the continued stability that He has given to this chapter. I know that I am still new to this position as the local coordinator, but I have been here for several years to see all sorts of different ways that God can give us success. Let us continue to pray for this as we work to reach children with the Gospel in every county. Let us pray that God would open opportunities for us to reach children where they are—in school districts where we don't really have a presence, in churches that have children but no one to focus on their spiritual health, in homes where children might not be able to hear the Gospel unless we personally share it with them. Let us pray together for their salvation that they would consciously make the choice to follow Christ. Let us also pray for the teenagers in Jefferson, Elk, and Clearfield Counties, as we look to find teams to lead Junior Youth Challenge, so that we may continue to disciple them after GNC and equip them to share the Gospel themselves. God has blessed us so much in the last several years and we have seen success in our ministries because He is working in the lives of children. Let us continue to praise Him, throughout the month of November, remembering every area of ministry where we have seen success.
