PULPIT CURRICULUM First Baptist Church of Tyrone

Money Doesn't Satisfy
Ecclesiastes 5:8-6:9
10-25-2026

Money cannot accomplish that which only Christ can.

1. Why do you think people often believe that having more money and possessions will bring them greater happiness? How does Ecclesiastes 5:10 challenge that assumption, and where do you see this mindset in our culture?

2. How can the pursuit of money create problems rather than peace? Consider the effects of greed, anxiety, and the desire to maintain a certain lifestyle. How might these struggles reveal where we have placed our hope?

3. Ecclesiastes 6:1–6 describes someone who has wealth, possessions, and honor but cannot enjoy them. What does this teach us about the difference between possessing good things and being able to enjoy them? Why is contentment more than simply having enough?

4. Read Deuteronomy 8:11–18. Why is it so easy to forget God when life is comfortable and our resources increase? What practical habits can help us remember that everything we have comes from God and is entrusted to us for his purposes?

5. The main point of the sermon was that "Money cannot accomplish that which only Christ can." How does finding our satisfaction in Christ change the way we view money, possessions, work, and difficult circumstances? What is one specific change you could make this week to demonstrate greater contentment and generosity?
