  - What was the one thing God told Adam and Eve not to do in Eden? **(TargetPractice)**
    - Don't eat from the Tree of Knowledge of Good and Evil
- Stop 1:49
  - Why did God give them that rule?
    - He wanted them to choose to trust Him for what is good for them instead of relying on their own
- Stop 3:00
  - How did the serpent get Eve to eat the fruit?
    - Tricked her to make her think that God was lying to them.
    - Made her believe that she knew better than God about what was good for them.
    - Caused her to notice how good it looked and to just take what she wanted because she should have whatever she desires.
  - Did Adam and Eve immediately die when they ate the fruit?
    - No.
  - What began to change?
    - They began to realize that there was evil. Pain, sadness, shame, disappointment, anger, violence, death, etc began to be experienced.
    - Things were no longer perfect and they were kicked out of the garden
- Stop at end
  - Did God leave things the way they were?
    - No! He still loved Adam and Eve and began a plan to rescue them/us.
  - What is His plan?
    - Sending Jesus to pay the price of all of our bad choices
    - The next few weeks, we will be exploring more about the rescue plan God had and how it was carried out through the Old Testament.
