THE POLISH LINK

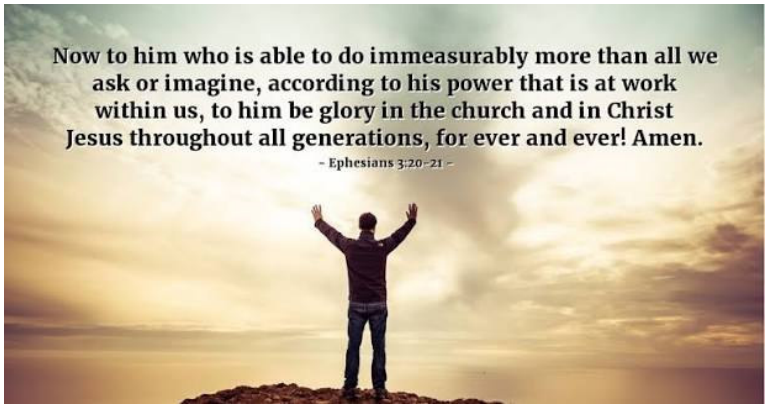

September 2026

Here on the left is a photo of the **team of dentists** (including our **daughter Rachelle** – second from the left) who organized a medical and dental mission to **Romania and Moldova**. In partnership with Baptist churches, they treated more than 500 children and parents, where everyone heard the Gospel through personal conversations with pastors and through parallel ministries such as Bible camps, evangelism, and family visits. Rachelle spent the two best weeks of her life serving the Lord! **Glory to our God, He is worthy of all our gifts and service!**

OUR SUMMER 2026

We thank you for thinking of us during the summer of 2026 and for praying for **the six camps** we participated in, which took place from **June until mid-August**. We can't deny that undertaking so many camps during the summer sometimes worried us—would we have READY THE BEST Bible lessons, and the strength to be dynamic and zealous for the Lord, sharing the Gospel with children and youth at each of the six different camps? Yes, we had the strength, the joy, the Lord's guidance, and the help of a **Canadian team**! We thank our Lord from the bottom of our hearts. In fact, the key passage of our summer was the text that **Pastor Claude Caron used in his sermon on Ephesians 3:20-21** – there is in us, through the Holy Spirit who dwells within us, a power that **is OF GOD**, a power that **is ACTIVE**, and a power that has **an INFINITE character** – and **this happens in HIS CHURCH**!! Our God will always do BEYOND anything that comes to mind to think, pray, or do! This summer is an experience of this passage from the Word of God.

In all our teaching, ***we emphasized the Bible (how about that?*** 😊 ***),*** and taught, among other things, **Psalm 19:8-15**, so that our children would know that "***The law of the Lord is perfect, refreshing the soul…"*** and that "***The statutes of the Lord are trustworthy, making wise the simple."*** All our Bible stories centred on this central theme, providing a solid foundation for faith in God and His Son Jesus Christ, for the Word of God is perfect and teaches us wisdom for salvation in Jesus Christ, the only

Saviour. Our hearts rejoiced to see the Word of God exalted as the sole source of truth, knowledge of God, and redemption, which is found only in Jesus Christ. **We pray that it will dwell in us and in our children in all its richness**!

In this summer program **for PRAYER,** you prayed for…

- From June 3rd to 9th : **Family camp with the Evangelical Church of Łódź in Żywiec** –
  We had a smaller group of 15 children from the Evangelical Church at their family camp; the dynamic was extraordinary, and we invested in the children so that they would have the greatest respect and an open heart for the Word of God, the Bible.

- From June 28 to July 4: **Camp in Olesin (near Warsaw) where 45 children from our church attended** –
  This camp was one of **our best** 😊 , with a strong commitment from our young people who grew up there and received the Lord Jesus as their personal Savior! Our team of counsellors (here below, scattered among the young people!) is extraordinary in organizing and leading such a children's camp! They are all growing in wisdom, in the ability to teach the Word, and in passion

  to see our children, all our children and young people, follow the Lord Jesus.

- From July 5th to 12th : **Evangelistic Camp for 40 children and youth at Camp ARKA in Milanówek (south of Warsaw)** –
  This camp was so blessed for the personal conversations where our counselors (including the **Canadians** who came to help us, **Nicole Douville**, as well as **Brian and Michelle Hamm** (in the back right of the photo) were often able to share the Gospel personally during their teaching with the young people. **Pastor Lucien Atchalé** from Magog, and **Pastor Claude Caron** and **his wife France** (on the left) joined us at the end of the camp. Five people were able to pray with them to receive the

Lord Jesus into their lives. We thank the Lord for this fruit – **may the Spirit of the Lord continue to work in the hearts of these young people**This camp touches many children and youth from families broken by divorce, alcoholism, or crime… may this hope in Jesus that we shared with them become the treasure of their hearts!

- From July 17th to 23rd : **Missionary week of evangelism in Łódź with Pastor Janek Puchacz** –

We experienced such an exciting evangelistic dynamic in **the city of Łódź** with a team from Switzerland, a team from Canada (here on the left, including **Anthony Laberge, missionary in Romania**), and Polish believers from the local church.

Pastor Janek Puchacz shared with us a clear vision for evangelizing the city and inviting their neighbourhood to church events—including a wonderful **Canadian evening**! We helped prepare and reorganize the publications and Bibles for distribution.

Despite the bad weather that kept us from going out as often as planned, our time was blessed by many conversations about the Gospel and by an encouraging dynamic with the team of eight young people from Switzerland.

- From July 25th to August 2nd : **Camp for children and youth in Satu Nou/Bacau and humanitarian medical and dental care in villages in Romania** (with the new Fellowship missionary Anthony Laberge)

While Rachelle was busy fixing or pulling out teeth (ouch!) and helping dozens of people receive dental care (here right, at the mission church in the village of **Zizin, Romania**), our lovely Quebec team (see photo above) – **Pastor Claude Caron** and his **wife France** (from Charny), **Pastor Lucien Atchalé** (from Magog), and **Nicole Douville** (from Quebec City) – was busy assisting our new Fellowship International missionary, **Anthony Laberge** (here left, in his graduation gown!), in the wonderful mission of the Gospel among the

children, youth, and families of **Satu Nou and the surrounding villages in northeastern Romania**. Anthony kept us busy with numerous visits to surrounding churches, visits to families in need in connection with the local Baptist church, and evangelism among the poor, youth, and children of the many surrounding villages. The children's clubs were particularly edifying, providing them with such open access to the preaching of the Word of God and the Gospel.

Dear brother, dear sister, dear church, please consider supporting this NEW missionary with your donations or mission budget, and prayers – **he needs our support** to accomplish such an important mission among the young Romanian generation, from which he himself originates as an orphan of that place – **READ** his story, his calling and his activities on his Facebook page **:** **FB PAGE-CLICK HERE** (and see the attached Fellowship document)
And please USE this ***link*** of the Fellowship to support him :
SUPPORT ANTHONY

❖ From August 3rd to 7th : **Camp for 80 children at the Baptist Church in Samar, Ukraine** –
This camp was once again a difficult decision this year, given the frequent bombing raids caused by the numerous Russian drone and missile attacks on the cities of Dnipro and Kyiv... the situation has become so scary and dangerous EVERYWHERE. But the couple in charge, **Elina and Maksim Buslov**, were extraordinary in encouraging the church and the children to look to the Lord Jesus! Thanks to the Lord's protection and our financial support, they organized a camp for their children and those in the region – many of whom are refugee families affected by the war. Ukraine especially needs help to save children and families from great emotional, moral, and spiritual tragedies. If the Russian army pushes its attacks as far as Pavlorad (50 km southeast), several members of the church are considering fleeing the city, which will then be in danger. This war is truly terrible for everyone, even Christians.

After these **6 camps**, the Lord gave us the new opportunity to **support 2 other camps**:

- From August 17th to 21st - **Spanish language camp with children from Spanish-speaking families in Warsaw, with 8 children** – the first Spanish language children's camp! Pastor José

from this church had already participated with us in our children's camps in Lublin and Zamość, but this year, as this church's immigrant community from Colombia, Venezuela, and other Spanish-speaking groups has grown, they wanted to organize their first camp for their children! After a training session that I led with their children, they were able to run a wonderful camp with 8 children – a great start! ***This is the Mission!***

❖

➔ **THANK YOU SO MUCH TO ALL THOSE WHO PRAYED AND DONATED!**

For those who have read our news from last year, you may remember our brother **Andriy Matviyczuk** (pictured here on the right), who leads the "*Future for Ukrainian Children*" mission (also known as "*Heart for Orphans*") throughout Ukraine. His team organizes numerous camps for children and parents who have taken in orphaned children, encouraging them in this very difficult task and in their faith in the Lord Jesus Christ. We have often supported him through YOUR donations. However, Andriy is going through a very troubled time, suffering from such profound exhaustion that he cannot sleep and is no longer able to function within his family or church. He has had to take leave under the supervision of his doctor and his pastor, Sasha Kotyay (Word of Life Baptist Church in Kostopil). We are profoundly saddened by his difficulties. **Could you please PRAY** for our brother Andriy and his mission (which benefits several Baptist churches in Kostopil and throughout the country), who are going through a very difficult time. Those who have encouraged hundreds of orphans to be taken in by Ukrainian and Moldovan families themselves need the Lord's strength to recover. We supported our brother and his team for their camp from August 3rd to 7th in Ukraine (Zaozerne) by sending gifts to the children and financial support so that the camp, bringing together more than **110 children** and parents, could take place (as you see on the picture above). Thank you to those of you who gave for this need!

OUR AUTUMN 2026

Our involvement with the **Evangelical Church of Łódź** continues with the final phase of the new chapel's construction. Much work and many tasks have been accomplished since April 2026! The building has already proven useful in hosting the Swiss team during our week of evangelism in July. Dear friends, **God has laid it on your heart to help a growing church in Łódź** – and **God has provided**! Since September 1, 2026, **a total of $155,581** has been received in donations for the project! **GLORY TO OUR GOD!** We have exceeded our initial goal of $144,000 – thank you all for your incredible generosity! More than 72 individuals and 8 churches contributed to this project – THANK YOU! The Lord's work in Łódź is a **high priority** so that believers can be in their new building before the coming winter!
