Jesus: Words & Works

Matthew-John

Welcome

We believe God has given parents the unique privilege of helping their children grow in faith, and we're grateful to come alongside you in that journey. At Grace Point, we believe kids grow best when the church and home work together. That's why we created the GP Kids Newsletter-a monthly update to keep you connected with what your child is learning and to share ways you can continue those conversations at home. Thank you for partnering with us as we help the next generation know, love, and follow Jesus.

GP Kids Workshops for November

Art Room: Students will create a 3D piece of art to illustrate Jesus calming the storm in Mark Chapter 4. Chrissy Boone is leading the lesson this month.

Explorers Room: This month the children will be learning more about the Miracles of Jesus. Led by Heather Hill in November.

Game Room: The children will learn how Jesus taught truths through parables and experience the Parable of the Sower by completing an obstacle course challenge. In November, Matt Gerrald will be leading.

Theater Room: Children will be creating dramas featuring sound effects and big gestures to reenact some of Jesus' miracles, demonstrating his power over nature. Terri-Lynn Cochran is directing in November.

Combined Sunday School: On November 29, we will have a special combined Sunday School with our adults! Children in K–5th grade will join their parents in the sanctuary as we share Thanksgiving testimonies together and reflect on God's goodness and faithfulness.
