Christmas Nativity, LIVE!

Sunday, December 20th during the 9:30 Service, we will be presenting for the first time, the Nativity Story during the worship service. We will be presenting live characters and singing Christmas hymns.

What do we need from the congregation? We need volunteers to sign up for character roles. Randy Lewandowski has created a sign-up form, and it is on a clip board in the Narthex on the round table. . He will be there to answer any questions you may have.

- **There are no speaking parts.** You don't have to worry about memorizing lines or speaking in front of a large crowd. All speaking will be done by a narrator.
- **There's no rehearsal.** You will enter the scene, stand, and exit when it is over. And, someone will be there to tell you when to enter and exit.
- **Costumes are minimal and will be provided.**

Calling all Sunday School kids!! You are needed also! You will get to be Angels and Sheep. You will also get to lead the congregation in "Away in the Manger." All practicing for you will be done during Sunday School time.

Grief Work
Thursdays, 6:30 - 8:00 pm

Mental Health FIRST AID
from NATIONAL COUNCIL FOR MENTAL WELLBEING

MENTAL HEALTH FIRST AID *For Faith Communities*

A 1-Day Course Presented by Texas Health Community Hope

WHY MENTAL HEALTH FIRST AID?

Mental Health First Aid is a skills-based training course that teaches you to identify, understand and respond to signs of mental health and substance use challenges among adults. Just as CPR empowers you to help someone experiencing a physical emergency, Mental Health First Aid equips you to offer calm, compassionate support to someone facing an emotional or mental health challenge. Grounded in empathy, connection and best practices, this training helps those serving in faith settings provide timely support, guide individuals toward appropriate help, and strengthen the overall well being of their congregations and the community they serve.

WHO NEEDS TO KNOW?

The program is designed for adults who want to learn how to help people who may be experiencing a mental health-related crisis or problem. No prior training or experience is required. Mental Health First Aid is a particularly valuable tool for clergy, medical personnel, first responders, educators and counselors.

WHAT IT COVERS

- Common signs and symptoms of mental health challenges.
- Common signs and symptoms of substance use challenges.
- How to interact with a person in crisis.
- How to connect a person with help.
- Expanded content on trauma, substance use and self-care.

WHAT'S INVOLVED

There is no cost to participate in Mental Health First Aid training. Training is provided in two ways:

Online: Sessions are conducted online via ZOOM or Teams. Participants must complete 2 hours of self-paced online prework in advance of the course. The online instructor-led portion of the course lasts approximately 5.5 hours, including all breaks.

In-person: Depending on instructor availability and training location within North Texas, you may have the option to receive training during a 6.5-hour in-person session.

TO INQUIRE ABOUT MENTAL HEALTH FIRST AID TRAINING

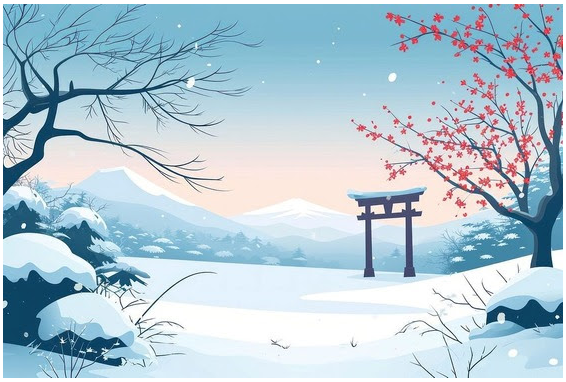

If you are interested in a curated Mental Health First Aid training session for those in your congregation, submit a request by scanning the QR code or visiting **qrco.de/MHFAInquiry.** Someone will contact you to schedule a consultation.
