Application Questions - *These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Life Group for even more benefit.*

1. Read Ephesians 2:8-10. Our salvation is explained as a gift of God's grace and received by faith, not by any work we do (v. 8-9). Think about the gift and your need. What kind of responses does this foster in you?

Verse 10 says you've been "created in Christ Jesus for good works." What unique-to-you works have you done, and what one's are before you?

2. 2 Timothy 3:16-17 tells us God is the source of all Scripture and that it is profitable for use in what 4 ways? When applied to our lives in these 4 ways what will be the result?

Give 1 or more examples of this result in your life.

Is there a work you feel called to but inadequate to do? Explain.

3. Read 2 Timothy 2:1-2. What does it mean to be "strong in the grace that is in Christ Jesus," and how does a person get that strength?

What are the "things" Paul is referring to? (v. 2)

Has someone entrusted them to you? What did it look like?

Are you entrusting them to someone right now? Why or why not?
