1689 London Baptist Confession of Faith:

Paragraph 17.1

2. This perseverance of the saints does not depend on their own free will but on the unchangeableness of the decree of election,[4] which flows from the free and unchangeable love of God the Father. It is based on the efficacy of the merit and intercession of Jesus Christ and union with him,[5] the oath of God,[6] the abiding of his Spirit, the seed of God within them,[7] and the nature of the covenant of grace.[8] The certainty and infallibility of their perseverance is based on all these things.
