# MOBILIZING
## LOCAL CHURCHES AROUND THE WORLD

**April-May, 2026**

Greetings from the Anderson family as we serve to mobilize local churches in Latin America and around the world!

Thank you for your faithful prayers, encouragement, and financial support. We are grateful for those who partner with us as we seek to strengthen local churches and advance the Great Commission.

**April**

God allowed me to make a much-needed trip to Toluca after being away for several months. During my time there, I was able to teach leadership classes for ministry leaders and spend time with pastors and missionaries from the area. It was a blessing to participate in missions conferences at two churches that are now under local leadership. I also enjoyed meeting with a missionary who is in the process of starting a new church in Toluca. It is exciting to see God continue to build His church.

I was also given the opportunity to teach students in our Trinity Baptist Seminary extensions throughout Asia. Students from countries such as Singapore, the Philippines, Vietnam, and others joined these classes as they prepare for current and future ministry.

"And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also." — 2 Timothy 2:2

**May**

God allowed our family to travel to several churches in Georgia, Mississippi. We especially enjoyed spending time with Pastor Kyle Coker and his church during a World Evangelism Weekend, where pastors from the area gathered for training and fellowship. Also thank you Faith Baptist Church and Pastor Carr for receiving our family with much love!

Please pray for us as I take a trip with my father-in-law, Gary Ellison and participate in a graduation ceremony in Toluca during the first week of June. We are excited to see seven students receive their diplomas through Trinity Baptist Seminary.

**Prayer Request**

Please continue to pray with us concerning the purchase of a ministry trailer. God has already provided much of the needed funds, but we still need approximately $5,000. This trailer will help us travel more effectively as we encourage pastors, serve churches, and mobilize believers for missions.

Also, We are asking the Lord to provide the funds for New Life Baptist Church and Living Water Baptist Church. We are in need of 50,000 dollars to build and also buy land.

Thank you for partnering with us in the work of reaching the world with the Gospel.
For His Glory,

Phil. 2:13
