Re: **THREE WEDNESDAYS OF PRAYER AND FASTING**

Come unto me, all ye that labor and are heavy laden, and I will give you rest **(St. Matthew 11:28).**

On Wednesday, November 11th, 18th and 25th, 2026 we will be engaging in our three Wednesdays Prayer and Fasting. Our goal is to be in fasting each day from **5:00 AM - 5:00 PM.**

The central theme will be: ***"Grateful"*** Psalms 107:1 "O give thanks unto the LORD, for he is good: for his mercy endureth forever".

As we are quickly approaching the season known as **"Thanksgiving"** it is imperative that we reminisce on the goodness of God during the past ten months. Regardless of our current circumstances or past trials we must give thanks. It is the Lord's steadfast love that has brought us thus far. Therefore, we must live in a posture of gratitude. **In Jeremiah *29:11*** God spoke these words through the prophet Jeremiah to the Jewish people who had been taken captive and exiled to Babylon. These words still reverberate through time, extending God's grace, mercy and love

to His people. God's thoughts of **"*peace*"** and an **"*expected end*"** assures us that God still hold a deliberate, hopeful future for us beyond our current suffering. While the verse was originally written to a specific group in the 6th century BC, it reflects God's **unchanging character**:

It also reminds us that God is still in control and has purposeful intentions—even in the middle of difficult, confusing, or painful seasons. So, whether you are in a storm, coming out of a storm or are about to enter into a storm let's just trust the God who never fails. He promises to be with us in every season of our life. Hebrews 13:5 provides us with God's assurance of His abiding presence. **Psalms 136** should always remain in our heart as we live out our Christian lives. The Psalms begin by acknowledging God as the Creator of the heavens, the earth, the sun, the moon and the stars. It continues by showing God in verses 10-15 as a Deliverer. It shows how God delivered the Israelites from Egyptian bondage and led them through the wilderness. It proceeds into verses 17-22, where it reminds Israel of how God defeated powerful kings and gave Israel an inheritance. Finally, verses 23-26 reminds Israel of God's continued faithfulness. It acknowledges that God remembered His people in their low estate, delivered them from their enemies, and continues to provide for all living things. We, as the body of Christ can reflect on the goodness of the Lord and His faithfulness toward us. The Lord instructed Joshua to select twelve men, one from each tribe of Israel, to take twelve stones from the middle of the Jordon River, from the very place where the priests stood carrying the Ark of the Covenant. God wanted the stones to serve as a reminder of His mighty works and faithfulness. These stones were to serve as a memorial for future generations. When they asked, *"What mean these stones?",* the Israelites would have an opportunity to tell the story of God's mighty power, faithfulness, and deliverance.

Saints never allow the challenges of today to cause you to forget the faithfulness of yesterday. Our lives should always be a living memorial of God's goodness. Let us maintain a posture of gratitude in every season of our lives. Sometimes we need to pause, lift our eyes to God, and simply say, **"Thank You."** Not because life is perfect, but because even in chaos, He remains faithful.

As we begin these days of fasting and prayer, let us resolve in our hearts to live each day with gratitude toward our Lord and Savior, Jesus Christ. May we never become so consumed with what we are asking God to do that we forget to thank Him for what He has already done.
