## GET READY!
## A NEW JOURNEY THROUGH GOD'S WORD IS COMING

*"Study this Book of Instruction continually. Meditate on it day and night so you will be sure to obey everything written in it. Only then will you prosper and succeed in all you do."* Joshua 1:8 (NLT)

Our lives can get busy. Work, family, ministry, responsibilities, and the many things happening around us can easily compete for our time and attention. Sometimes, even the things that matter most can get pushed aside.

But God's Word reminds us that spending time with Him should not simply happen when we have extra time. God's Word should be part of our everyday lives.

When God spoke these words to Joshua, he was about to step into a new season and carry a great responsibility. He would face battles, make difficult decisions, lead God's people, and encounter challenges along the way. Before Joshua stepped into that season, God reminded him of what he needed most: His Word.

Joshua was instructed to study God's Word continually, meditate on it day and night, and obey everything written in it.

The same reminder applies to us today. Whether we are new in our faith or have been walking with God for many years, we never outgrow His Word. It teaches us, corrects us, encourages us, strengthens us, and reminds us of God's promises. When life becomes difficult, His Word gives us the strength to keep going.

This Bible Reading Plan is our opportunity to begin preparing our hearts and our habits for something bigger that is coming.

Starting January 1, 2027, IWC will begin a two-year Bible Reading Campaign that will take us through the Bible from Genesis to Revelation.
Before we begin that journey, we want to use this time to get ready.
Get ready to make time for God.
Get ready to open His Word every day.
Get ready to listen, reflect, and respond to what He is saying.
Get ready to develop a habit that will continue beyond a reading plan.

From November 15 to December 31, 2026, take this time to prepare yourself. Find a consistent time in your day to spend with God. Prepare your Bible and your journal. Begin creating space in your schedule and, most importantly, ask God to give you a deeper hunger for His Word.
You don't have to wait until January 1 to begin making God's Word part of your everyday life.
Start getting ready now.

PREPARE YOURSELF

1. Choose your time: Find a time of day when you can consistently spend time with God.
2. Choose your Bible: Select a Bible translation that you enjoy reading and understand well.
3. Prepare your journal: Get a notebook and a good pen ready for your S.O.A.P. journaling.
4. Make room: Set aside intentional time with God and protect it from distractions.
5. Prepare your heart: Pray and ask God to give you a deeper hunger for His Word and a heart that is ready to listen and obey.
