Make God's Word Part of Your Everyday Life

Joshua 1:8 (NLT)
"Study this Book of Instruction continually. Meditate on it day and night so you will be sure to obey everything written in it. Only then will you prosper and succeed in all you do."

Our lives can get busy, filled with many things to do and responsibilities that compete for our time and attention. This verse reminds us that God's Word should be a part of our everyday lives. God spoke this message to Joshua before leading the Israelites into the Promised Land, exhorting him not just to study but to meditate on God's Word day and night, and to obey God's commands. The verse goes on to say, "Only then will you prosper and succeed in all you do." So, in order for Joshua to prosper and succeed, meditating on God's Word day and night is only one part; the other half of the condition is to "obey everything written in it."

Joshua was called to succeed Moses, and a heavy responsibility was laid on his shoulders. He would be leading around two million Israelites as they were commanded to conquer the land, battle with the people living there, face challenges and uncertainties, and make difficult decisions. This is why God reminded him of the importance of staying connected to His promises.

The same encouragement applies to us today. Regardless of the busyness of our daily lives, we need to spend time in God's Word every day. No matter where we are in our spiritual journey, whether we are new in our faith or have been walking with God for a long time, the journey continues. Whether we are a new believer or a seasoned ministry leader, God's Word has something to teach us. His Word will encourage us, correct us, instruct us, and strengthen us, especially during the difficult seasons of our lives.

Over the next two years, from January 1, 2027, to December 31, 2028, IWC will host a Bible Reading campaign. This is a challenge to read the Bible from Genesis to Revelation (cover to cover). The goal is not just to read for the sake of completing a plan, but to spend time journaling every day using the S.O.A.P. method. The true heart behind this campaign is for every IWC member to grow in faith by spending time knowing God, reading His promises, and applying His instructions to our everyday lives.

The challenge calls for everyone to read three chapters a day: one from the Old Testament, one from the New Testament, and one from Psalms or Proverbs. We may think this sounds like a lot, but when we fight for our time with God, when we prioritize reading His Word and meditating on His promises it truly makes a great difference. During times of discouragement, loneliness, struggles, and difficulties, the Word of God will empower, encourage, and energize us to keep going day after day.

Just like eating physical food every day, spending time reading the Bible will make us spiritually strong and healthy. Instead of saying, "I have no time," we challenge you to make time. Spending time with God is life-changing when you allow Him to speak to your heart.

PREPARE YOURSELF

1. Choose your time: Find a time of day when you can consistently spend time with God.
2. Choose your Bible: Select a Bible translation that you enjoy reading and understand well.
3. Prepare your journal: Get a notebook and a good pen ready for your S.O.A.P. journaling.
4. Make room: Set aside intentional time with God and protect it from distractions.
5. Prepare your heart: Pray and ask God to give you a deeper hunger for His Word and a heart that is ready to listen and obey.
