Application Questions - *These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Life Group for even more benefit.*

1. Read 1 Peter 4:10-11. Verse 10 says each one has received a special gift. What does 1 Corinthians 12:4-7 tell us about spiritual gifts?

What is your spiritual gift(s)? How do you know?

How can a person find out their spiritual gift if they don't know? (Pretend you live before there were spiritual gift assessments.)

2. Verse 10 says to "employ" (use) the spiritual gift as good stewards of the manifold grace of God. How would you define a steward? A good steward?

Would you consider yourself a good steward of God's gifting? Explain.

What challenges do you have to overcome to be a good steward? How does, or how could MBC help you?

3. Verse 11 talks about speaking as one "speaking the utterances of God" and "serving by the strength which God supplies." How would you apply this to using your gift?

4. What end goal of spiritual gifts is given in the latter part of verse 11?

What does, or would this look like in the use of your spiritual gift(s)?

5. In what way are, or can you be part of Our Disciple-Making Pathway?
