Give Thanks to our God Who is Faithful

Psalm 136:1-4 [1] Give thanks to the Lord, for he is good.
His love endures forever. [2] Give thanks to the God of gods.
His love endures forever. [3] Give thanks to the Lord of lords:
His love endures forever. [4] to him who alone does great wonders,
His love endures forever.

I enjoy looking back at past newsletters to see what was happening in our church and what our petitions were both within our church and within families. There is much joy in looking back because so often I see how God has covered those needs, again and again, as only He can do.

Several years ago about this time of year we had a need for more volunteers to serve our kids because we were beginning to grow in numbers. God answered and provided. *And now praise be to God,* we are in need again because God continues to expand His reach to families seeking to anchor to His Truth. Once again God *is and will* keep providing. Thank You Lord!

I was also reading and was reminded that several years ago, we had a vision for a beautiful and functional space to host and welcome others into fellowship. It was a large project and there were delays for multiple reasons, and we joyfully prayed and gave thanks to God for His generous provision. We waited for His timing. And now we are living that vision out as we host our monthly potlucks, efficiently served nearly 100 ladies at our conference and blessed the Biddle family as they gathered with family and friends. We rejoice in many moments like that.

A little farther back, about 20 years ago, one farmer received a pamphlet promoting a mission trip to Constanza, Dominican Republic. That man went with some others on their first trip and saw a vegetable field with the very beginning of a house structure and base for a security fence. Nothing else was there, but there was a vision of what could be in years to come. Many prayers were lifted from groups all over the nation believing God would provide. And here we are having sent so many teams who with the help of other teams have been the hands and feet to bring to life this vision. God was faithful to provide and now that vegetable field is transformed into housing, a school, and a place of hope in the heart of Constanza.

There are countless prayers our church has lifted up that we are now living out. **All praise be to God!**

This November, I encourage you to pause and look back on your own life. What have you needed and prayed for that you are now living out? Wherever you are waiting for provision, let His past faithfulness encourage and remind you of His present faithfulness. *Our God is good all the time! His love endures forever!*

Thankful for *You*

Philippians 1:3-6 NIV 3 **I thank my God every time I remember you.** 4 In all my prayers for all of you, I always pray with joy 5 because of your partnership in the gospel from the first day until now, 6 being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus.

All throughout the year I give thanks for you and this wonderful church family I am blessed to be part of. It fills my heart with joy to watch the body, our family, in action for the sake of the Gospel and to make Jesus known. Let us persevere in confident hope that our God who began a good work in each of us and in His Church, will carry it on to completion, to the glory of His great name! Let us live with grateful hearts to God and for the gift of His Church.
We are blessed indeed!
Love, PK
