Sermon notes “always give thanks with your witness”

How do I understand being a witness?

Why is being a witness important?

How does my character of my witness have influence on what I am bearing witness to?

Does my conduct and message point to Christ?

What will I do this week so that it does?

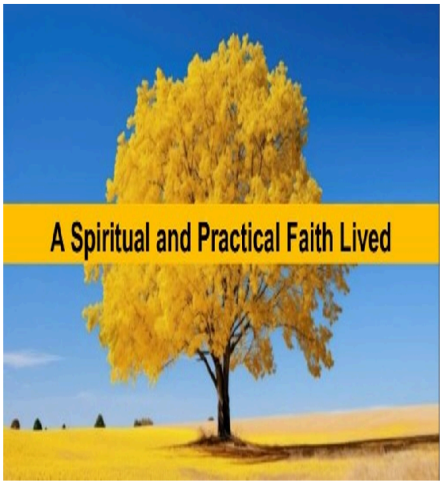

How do I understand bearing witness to the gospel in my own life?

What does "holy, righteous, and blameless" mean in my daily conduct?

How can I share my gratitude for the person who has been a witness in my faith? Find one way to honor them/their memory.

How will I witness with my actions and my words this week?

How we are to live:
Holily, justly, unblameably

- **Christ and Paul are examples**
- **Obedience to God's Word** – Living according to Biblical teaching (all of it!)
- **Love and Service** – seeing other and treating them with compassion (COGPOW)
- **Integrity** – honest and trustworthy (in all things)
- **Perseverance in Trials** – Trusting God's goodness through hardship
- **Stewardship**--Managing time, resources, and talents as God's trust

We are to be witnesses!

Our function

Our identity

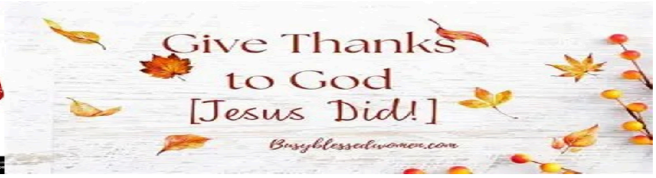

Two aspects:

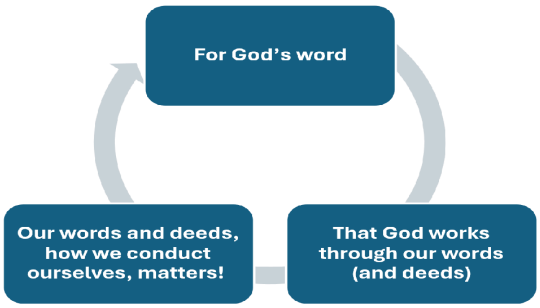

To see

To tell what we have seen

- **We are witnesses to the life changing work of God**
- **To Gods love grace and mercy**
- **To a life of hope Joy and peace**
- **To the reconciling work of God through Christ**

- **Always give thanks**
- **Always maintain integrity**
- **Always conduct yourselves as Jesus did**
- **Always show holiness in your daily life**
