“Recognizing an Overcomer” 1 John 5:1-5

21 October 2026

God always leads us in triumph, because being in Christ we enter into His _____.

Christians are invincible in the ultimate sense.

There is never going to be anything that will come against us that can steal our eternal life.

We overcome: Satan, death, sin, the Law, judgment, ignorance and the _____.

How do we know that we have eternal life and are an overcomer? Faith.

Some say that there are those who are on their way to heaven even though they do not _____.

The second test of being an overcomer is _____.

Do you love God and love whom God loves?

We’re not talking about sentiment here. Loving God is not a matter of sentimentality. Loving God is a matter of desiring to honor and to please Him.

Christians, if they seek friendships outside the family of God, if they have no compassion toward those in the family of God, if they don't literally hunger and thirst for spiritual fellowship with those who are God's, then there's no life in them. There's no light in them. They walk in darkness.

We're talking about the kind of love that is the only love the New Testament really exalts and that is *agapaō* love, the love of the will.

A third characteristic that marks those who are overcomers, not just faith and love, but _____.

2

The genuine proof of faith is loving obedience, sustained loving obedience.

We are to continue in His commandments.
