Application Questions - *These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Life Group for even more benefit.*

1. Read Acts 3:1-4. What words would you use to describe the lame man's life? What did Peter say and why might he have said it?

Have you personally encountered someone in a dire circumstance? What did you do?

Who do you know that is currently in a very difficult situation?

2. Read Acts 3:5-8. What did Peter not give the lame man and why? What did Peter give him?

Compare the value of what the lame man wanted and what he received.

What do you have that you can give to someone in need?

What helps and what hinders your willingness to give to a needy person?

3. Read Acts 3:9-10. Describe the response of the lame man to his healing, then the response of the people who saw him.

What was the greatest result of the healing and why?

What practical application for yourself do you see from this account?
