Encounters with Truth

Evidence

Jesus - Christmas
Moses - Exodus
Joshua - Conquest

Dr. Titus Kennedy

Have you been told that the stories of the Bible are just made-up fantasies? Or that you can't trust the Bible about the facts of history? Is there evidence that any of it really happened?

Saturday December 12th
6:30 PM The Archaeology of the Exodus

Sunday December 13th
9:30 AM The Archaeology of Christmas
11:00 AM The Archaeology of Joshua

This holiday season, learn not only about the truth of Christmas, but also how the whole Biblical account is an accurate accounting of God's work in history.

Dr. Titus Kennedy *is a field archaeologist specializing in the ancient the Near East and Mediterranean world, with a focus on biblical archaeology. He has directed, supervised, or participated in excavations at 18 sites across six countries, ranging from the Bronze Age to the Byzantine period. He is a university and seminary professor, a research fellow at Discovery Institute, director of the archaeology program at Shepherds Institute of Archaeology, and editor of the NEAS journal. He has conducted artifact research in museums worldwide, contributed to archaeological documentaries, published numerous articles on biblical archaeology and history, and the author of Unearthing the Bible, Excavating the Evidence for Jesus, the Essential Archaeological Guide, and Archaeology and the People of the Bible.*
